What do you already know about farm animals?

You can present your project however you would like e.g. a photo diary, using Powerpoint, making a model or a board game, creating a dance, poem, song or painting. Use your imagination and get creative. It is up to you!

You can use
any available resource, including items from educational visits,
library books and the Internet.

What we're learning next half term

Literacy

We will read new stories which all link to our topic-The Farm.

Maths

In maths, we will learn about sharing and grouping as well as consolidating everything we have learnt.

**Please make sure children bring their
library book and bag on a Friday.**
