Summer Term 2

Wow! We can't believe we are about to begin the final half term of the year. It has been a fantastic year full of lots of fun learning. Year 2 staff will really miss the children next year but wish them another fantastic year in Year 3.

Upcoming events

The first week back after the holiday is 'Proud to be from Bradford' week at school. The children will be doing projects all about what makes our city so great!

**Thursday 19th June
Parent workshop 1:30-2:30**

Holiday project

To prepare for the upcoming assessment week, children should practice addition and subtraction using games. Links will be sent on Marvellous Me.

What we're learning next half term

English

The children will be doing a piece of writing about Bradford.

Maths

In maths we will cover time and statistics, then consolidate place value and '4 operations' which we covered back in the Autumn term.

Science

This half term the children will be learning about microhabitats. This will involve lots of outdoor learning in our nature garden.

History and Geography

In the summer term the children will cover looking at monarchs and what it is like to live by the coast.
