May 2025

## Summer 2 Term

Thank you for all of your support over this half term.

**Please make sure children bring their library books and spelling sheets each day. Please check your children's school uniform is appropriate during the warmer months.**

### Upcoming events

**Spelling Parent Workshop - 2.30 - 3pm**  
**Bradford Literature Festival Trip- 26<sup>th</sup> June 9.30am - 12pm**

### Other News

Computing - We are really excited to be creating web pages based on our science learning of living things and their life cycles. We will be designing these using the Google Suite and presenting these.

## What we're learning next half term

### Writing

In writing we will be writing about Farnham Primary School's history and heritage. We will also use films as a stimulus to create some creative writing pieces!

### Maths

In maths, we will look at negative numbers, converting units and measurement. We will recap and consolidate lots of taught material from the year also!

### Geography

We will study the question 'What is life like in the desert?'

### Science

Living Things: Life cycles and reproduction. We will look at the life cycles of the different animal groups.

### French

In this half term within our French topic we will look at learning the various plants and animals that live in five very different habitats in French.
