

Year Six 2020-2021

Autumn 1 Spellings

Here are your spellings to learn for the first half term. Please keep this sheet at home and do not bring it back to school. We will also be adding a weekly spelling activity on Purple Mash for you to complete. You have them all on this sheet and you need to make sure you know each list of 15 spellings ready for the start of the week at the top of each column. We will be looking for pupils who find ways to use their spellings correctly in their writing throughout the half term. We will choose one pupil from each class per month to receive the 'Spelling Superstar' award. Good luck!

October half term challenge.

Use as many spellings as possible from this half term to create a story. It could be any type of story – even a silly one! Use your imagination. There will be rewards for the most creative stories.
