

Important Dates

Week commencing 16th November we will be holding consultations. Keep looking for the email to explain.

Times tables Challenge

This term we are having a challenge to see who can learn their times tables.
Can you learn the x and ÷ facts for all 2x 5x 10x 3x 4x and 11x

Purple Mash

Why don't you try some of the activities on Purple Mash?
There are lots of games to help your learning

Don't forget to come to school in your PE kit on the correct day.
You will need to have a spare pair of pumps in school for the wet weather.

Year 3 Newsletter Autumn Term 2

We will be learning about the Stone Age in History.
What can you find out at home on the internet or in a book?

Please make sure your coat has your name in it.
Remember to bring it every day with hat and gloves.

In science we are learning about forces and magnets.
Can you test a car on different surfaces at home and record what happened?

Please bring your reading book every Monday in the clear plastic bag we have given you.
