To Parent/Guardian,

We are ensuring that every child is looked after in the best possible way.

It is well documented that high quality early education can influence how well a child does at both primary and secondary school so we do want to make the most of any additional funding which may help families.

You may be aware if you have older children that a pupil premium has also been available for school-age children and it has proved to have given a real boost to the children receiving the funding.

We want to do the same for our early year's children who either may be or should be entitled to this funding.

Therefore, we ask that ALL PARENTS/GUARDIANS log in to the Free School Meal link.
