

Mini Project

Your mini project this term, needs to be based on:

Light and Dark/Space

What do
you see in
the sky at
night?

You can use any available resource, including items from educational visits, library books and the Internet, but do not just print out web pages.

You can present your project however you would like e.g. a photo diary, using Powerpoint, making a model or a board game, creating a dance, poem, song or painting. Use your imagination and get creative. It is up to you!
