

## What to do

### Step 1:

Talk to a grown up about what we mean by the word respect. Once you have some ideas complete **Worksheet 1**

### Step 2:

Use the ideas you recorded on **Worksheet 1** to create a set of **Respect Badges**. On each badge write one simple message about how we can be respectful. There is a template you can use on **Worksheet 2**.

For example ...

Always say  
please and  
thank you.

Take  
it in turns  
when playing a  
game.

Don't  
interrupt when  
someone else is  
speaking.
