Word Lotto and Board Games

These games cover the sounds and words used in Set 1. .

Use them as an alternative to flashing the sounds and words.

Children say the sound when they land on it. If they don't get it right they move back to the picture they were on before. Ideally play in pairs with a 1- 3 dice.

Word lotto can used in pairs. Children take turns in 'Fred talking' out a word for there partner to find and colour in. In larger groups and adult can 'Fred talk' and each child can colour/circle the word on their board.
