

### **Important Dates**

Science Curriculum day 10th March  
Parents Consultations  
Week beginning 16th March  
Appointment letters to follow

### **Topics**

We are learning about the Titus Salt and how he helped Bradford  
Can you make something at home to show what you've learned?

### **Mini Project**

This half term's project is all about Saltaire  
Can you make a plan of the village?

## **Year 3 Newsletter Spring 2**

Don't forget PE on Monday (3JH & 3SP)  
Wednesday (3SP) and Thursday (3JH)  
Please make sure you bring outdoor pumps  
Please label your kit!

Times tables test every week.  
Are you practicing?

**Trip**  
This half term we will be having a mini bus trip to Saltaire to visit the streets and study the buildings

In Science we are learning about skeletons and muscles  
Can you find out how many bones we have? Can you draw an animal skeleton?

Make sure you read to an adult and practice Learn by Heart targets every day. Don't forget to have your diary signed!
