26th February 2021

WORLD BOOK DAY

Dear Parents

This year, Thursday 4th March is World Book Day which celebrates the joy and value of books and reading, especially for children. To celebrate this, we will be running a variety of events which your children can access from home.

The Masked Reader

Each morning throughout the week, teachers will post a video on Google Classroom at 9:00 of a masked teacher reading a story. Your child needs to use the google quiz to select which teacher is reading. The child in each class who successful identifies the most, will received a book prize on the return to school.

Book Bingo

This competition will be running until *Friday 26th March*. Teacher will share a bingo grid for children to complete throughout the month on Google Classroom. All your child needs to do is write the name of the book and author they have read in each box once they have completed the reading challenge then return this to their teacher once they have completed all challenges.

Reading at Home

To celebrate the enjoyment of reading, it would be great if you could share a photograph of your child enjoying reading a book at home. You could send this to your child's teacher through Google Classroom.

Live assemblies

Children will be able to access live assemblies through Google Classroom which will feature some of their favourite authors.

£1 Book Token

When children return to school they will receive a £1 book token, which can be redeemed at a variety of shops including; Tesco, WH Smith and Waterstones until *Sunday 28th March*.

Yours sincerely,

Mrs B Bains
Headteacher
