

Year 4 - Holiday Project (Autumn 2)

We will continue looking at the Romans and develop our understanding and knowledge of the Roman Empire and what life was like as a Roman.

Why not try completing some of these activities

- Create a 3D model of the Colosseum.
- Create a Roman shield (sketch or 3D model).
- Create a mosaic pattern of your own.
- Research - Write a fact file about what life was like as a Roman. (You can create a presentation on Google slides or hand write this on paper).

Don't forget to ask your adult at home to support you.

We look forward to seeing your lovely work. Enjoy your holidays!
