

Important

Children must bring their reading book into school every day. When it is their PE day your child must come to school in their PE kit (black jogging bottoms, with trainers), Pumps need to stay in school for indoor lessons.

Welcome to Year 2! The children have got lots of exciting learning to look forward to this year. Keep checking Marvellous Me for important messages from
Mrs Savage and Miss Tanveer.

In history, this term we are learning about famous nurses from the past and the wonderful things they did during wartime.

Our PSHEE focus this half term is all about getting along and falling out.

Year 2 Newsletter Spring 1

In English, we are focussing our learning around the book Claude in the City. This is a funny story and the children will try persuasive writing.

In art, we will be making clay lamps and Tudor houses to link with the history topics.

In science, we are learning about materials. The children will do a number of different scientific investigations to test the properties of materials.

In maths, we will continue to learn about money. Showing children coins and notes from home will prepare them for their learning.
