

English

We are studying:

Archie's War :

A historical comic book written by Marcia Williams.

Synopsis: In 1914, just before the outbreak of the First World War, 10-year-old Archie is sent a scrapbook in the post from his Uncle Colin. In the years that follow, until the war ends in 1918, we experience life through Archie's eyes and learn about his world and family.

Persuasive speech: To use adverbs of possibility and correct tense with persuasive language.

Informal letter home: To empathise with the soldiers on the Western Front. Using emotive language.

Historical narrative: Using figurative language to hook the reader and describe the Blitz.

Wartime recipe: To write a recipe using imperative verbs.

Maths

Algebra : We will use simple formulae, describe number sequences using letters as symbols, and will find unknowns in an equation

Ratio: Calculating ratio using fractions of an amount. Applying ratio to scale diagrams and finding the relationship between two numbers.

British Value

Mutual Respect

Embracing diversity. Promoting awareness of religion, traditions, cultural heritage and preferences.

History

We will be learning about the local war memorials, Bradford PALS 6th Battalion and the impact of World War I on Bradford. We will compare and contrast life for normal civilians in Bradford and Germany during the Second World War and why children were evacuated from the city.

Physical, Social, Health and Economic Education

We are learning about: Getting on and falling out. We will tackle issues that children face everyday and the best ways to manage feelings and emotions.

ART

Rob McDonald-Wasted 1914

Screen printing and exploring war representations.

Additional Information

School hours: 8.35am-3.10pm

Physical Education

All children need to wear their PE kits to school on the following days:

Monday and Wednesday

SATs revision

Revision Guides will be available later this term for children to use at home.

If you have any concerns or questions please don't hesitate to speak to Year 6 staff.

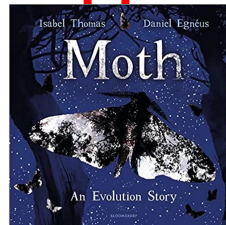

Year 6 teachers:

Assistant Headteacher: Mrs Buckley

Miss Earp (6LE) & Mrs Malik (6QM)

Support assistants: Miss Rasab, Miss Khan, Mrs Shetty.

Mrs Ravat -Pastoral support.

Year 6 Spring

Science

Evolution and Inheritance

How did the pepper moth adapt to its environment?

Identify how animals and plants are adapted to suit their environment in different ways and that adaptation may lead to evolution.

Spring Term Project – The Great War 1914-1919

Technology changed dramatically during the Great War.

Make a model of an aircraft or machinery that was developed to help Britain.

We will be studying

The Great War

this term. Your task is to research the war and make something that we can display. We look forward to seeing your amazing projects!

Women would send gifts to their loved ones fighting on the Western Front, an embroidered handkerchief, a tin of biscuits or just a heartfelt letter.

Maybe you could write a short memorial poem on a stone.

Make a wartime cake or loaf of bread using a recipe.

What did the trenches look like?

Make a scale model and label each section.
