

It's Electric! Year 4 Holiday Project Spring 2

**How to get busy over the holidays and
prepare for our next Science topic!**

- Make a list of all the electrical appliances / devices in your household **(3HP)**
- Create a poster of all the electrical devices / appliances that you have in your household **(5HP)**
- Can you create a 3D model of an electrical appliance using cardboard, paper etc? (Perhaps a microwave using a cardboard box) **(10-15HP)**
- Electrical safety poster - what dangers can you spot in your house? **(5-8 HP)**
