

Your mini project this term needs to be based on:

Under the sea.

What creatures or animals do you think live under the the sea?

You can use any available resource, including items from educational visits, library books and the Internet, but do not just print out web pages.

You can present your project however you would like e.g. a photo diary, using Powerpoint, making a model or a board game, creating a dance, poem, song or painting. Use your imagination and get creative. It is up to you!
