

Year 1
Holiday project
February 2024

Jobs and money

We will soon be looking at different jobs and how people can earn money. We would like you to talk to people in your family about the jobs they have or jobs they have had in the past.

When you go out, have a look at all the different jobs that people are doing. Think about what would happen if these people stopped doing these jobs.

*We would then like you to create a picture to show what job you might like to do in the future. You could write a few sentences to tell us what you might like to do and why you would like to do that job.
Be as creative as you can.*

Please bring your work back to school when we return after the holidays.
