Dear Parent / Carer

We wish to inform you about an upcoming adjustment to the prices of school meals, effective from Monday 1st April 2024.

New Meal Prices from Monday 1st April 2024:

Nursery meals will be £2.10

Primary meals will be £2.30

Why Are Prices Increasing?

Over the past few years, there has been significant increases in the costs of meal ingredients (by at least 25%) and labour (at least 10% increase, largely due to rises in the living wage). Despite these challenges, we have worked with our catering contractor diligently to absorb these costs as much as possible, striving to minimise their impact on meal prices while continuing to offer nutritious, balanced meals that meet our high standards.

Please be assured, even with this adjustment, meal prices remain among the lowest in the region, offering excellent value for a nutritionally balanced two-course lunch.

If you are in receipt of certain benefits such as Universal Credit, we can support you to apply for free school meals for your child. Please do not hesitate to contact the school should you have any questions or queries about the price increase or how to apply for free school meals.

Yours sincerely

Mrs S Keenan
Acting Headteacher
