

Your holiday project this term needs to be based on...

America

You can use any available resource, including items from educational visits, library books and the Internet, but do not just print out web pages.

Information you must include:

Find America on the map, concentrating on environmental regions, key physical and human characteristics, countries and major cities.

You can present your project however you would like e.g. a photo diary, using Powerpoint, making a model or a board game, creating a dance, poem, song or painting. Use your imagination and get creative. It is up to you!
