Home learning suggestions. Here are some learning activities you can do with your children at home to support their learning in school.

- Find out about the clothes worn by Ancient Egyptians. You could compare Ancient Egyptian clothing with modern dress. You could present what you find through pictures, photos, fabric creations or writing. **(7HP)**
- Create a map of Ancient Egypt. What is the same and different about the geography of then and now? **(5HP)**
- Design & make a piece of Egyptian jewellery. **(10HP)**
- Write a list of 5 things you would not find in Ancient Egypt. **(4HP)**
- Create a quiz to test the class on their knowledge of Ancient Egypt **(5HP)**
- Write a diary of a day in the life of a slave or pharaoh. **(10HP)**
- Make a 3D model of an Ancient Egyptian pyramid. **(10HP)**

You can choose which of these activities you would like to do. You do not need to do all of them! We also know that you and your children have lots of original and creative ideas of your own. We love to see these too!
