

### Important

Children must bring their reading book into school every day. When it is their PE day your child must come to school in their PE kit with trainers. Pumps need to stay in school for indoor lessons.

Spring term has been great fun. Children have been working hard and getting ready to sit their SATs next half term. We went on a trip to a local church which the children found really interesting.

In Geography this term we are starting a topic 'Where would you rather live, the UK or Africa?'

Our PSHE focus this half term is all about healthy lifestyles and minds. It is important for our health to get outside as much as possible when the days are warmer and brighter.

## Year 2 Newsletter Summer

In English we are focusing our learning around the story 'Lila and the secret of rain' which will also link to our Geography topic about Africa.

In art we will be exploring the work of an African artist called Martin Bullinya.

In Science we will be learning about animals and their habitats. This is going to involve lots of outdoor research in the warmer weather!

In Maths, we will learn about time. Support your children by asking them to tell you the time at home.
