

English

We are reading King Kong by Anthony Browne. We will be looking at fiction writing and writing to entertain. We are creating a playscript and identifying all the features of this text type.

Please help your child learn their weekly spellings and listen to them read each night. Remember the children can complete accelerated reading quizzes at home by going through the school website.

The adults in year 5 are:
Miss Warrington (5CW)
Mrs Neely (5JN)

Science

In science, we will look at properties and changes of materials, exploring how some materials dissolve in liquids to form a solution.

Geography

The children will begin their Geography learning focusing on America. Children will learn the environmental regions and key physical and human characteristics of the major countries and cities in America.

Art

The children will be exploring movement in paintings. Children will study the artist Samantha French.

Maths

Geometry and Position:

In maths we will be looking at coordination and lines of symmetry and reflection.

Decimals:

Adding and subtracting decimals with a different number of decimal places.
Efficiency in adding decimals.

Year 5 Summer 1 Newsletter

We are
reading:

Additional Information

Remember school starts at 8.40.
Children should be ready and lined up in the bottom playground for 8.35.

PE- Children should come to school in their correct PE kit on their PE days. PE kit is a white t-shirt with a crew neck (not the polo shirt), black shorts, leggings or tracksuit bottoms, a plain black hoodie or jumper and black trainers.

The children should also have a black pair of pumps in school for indoor PE

PE days: 5CW - Mon and Thurs
5J - Tues and Thurs

RE

This term we will be focusing on theme of Initiation rites and forms of expression in religion.

PSHEE

Our topic this half term is Healthy Lifestyles and Mind. We will be identifying how to stay healthy with sleep, medicines and allergies.
