

English

We are studying:

The journey

This half term we will be looking at the key features of sentences and the correct use of punctuation.

We will be exploring the issues of refugees and writing our own dilemma stories.

Maths

Place Value: Reading, ordering and comparing numbers to 10, 000, 000.

Understanding negative numbers, how to calculate and work out the difference.

Round numbers to varying degrees of accuracy.

Calculations: Using the four operations to solve problems.

Geography

Coastlines and Rivers

We are looking at the different features of rivers and starting to look at how our world is constantly changing due to coastal erosion and climate change.

Additional Information

Physical Education

All children need to wear their PE kits to school on the following days:

Year 6 Monday and Wednesday.

Please ensure your child comes to school on these days wearing their full PE kit and black trainers.

Year 6 teachers:

6 Elphinstone—Miss Earp

6 Hardy—Mr Clegg

We are also lucky to have Mrs Khan and Mr Hamid in year 6.

Year 6

Autumn Term 1

Science

Animal and humans

The Circulatory system

We will be learning about how the heart works, why Bradford has a high percentage of heart disease and work as healthcare professionals to check teachers and parents wellbeing.

Physical, Social & Health Education

We are learning about: Belonging.
We will be learning how to value diversity, how to challenge discrimination and recognise stereotypes.
