

YEAR 2 AUTUMN 2 NEWSLETTER

October 2024

Exciting learning coming up!

Geography

After the holidays we will be starting the topic 'Where in the world is the UK?' Children can prepare for this by looking at world maps at home, especially if they have family members that live in other countries!

Science

In science we will be starting a new unit on plants and so we intend to be outside as much as possible! Please make sure children have warm coats in cold weather. We have set a project for Year 2 to create something relating to plants and seasonal changes.

DT

In DT, the children will be learning the skill of sewing. They are going to be creating a product for a character from the story Room on the Broom. Parent's are invited to workshop, see details in upcoming events!

Reminders

Please bring library books and phonics books to school every day!

Upcoming Events

Parent workshop
(DT lesson):
1:30 - 2:00
Tuesday 3rd December

Special messages

Happy Diwali to those who celebrate!
