February 2025

Summer Term 1

Longer, brighter days are here. We are looking forward to the fun in the sun, but please remember to let your children play safe in the garden and parks.

Dont forget we have a little library in our entrance, please take a book to read with your child.

Upcoming events

**Parents workshop event
Teddy bears picnic-
21/5/25**

Holiday project

This half term we are thinking about things that grow. We are thinking about how our flowers and food grow. Maybe have a visit to the local park to see the flowers growing or even plant some seeds at home and watch them grow together.

What we're learning next half term

English

The children will read new stories about planting and growing. We will be reading Jaspers Bean amongst other stories. .

Maths

In maths we are thinking about position. Where things are placed like on top or below . We are also looking at more and less.

PSHEE

This half term the children will be thinking about what things a plant needs to grow.

Understanding the world

The children will be learning about how we care for living things not just plants but mini beasts.

Art

Children will be doing lots of printing. Printing with their fingers and with leaves.
