Nursery

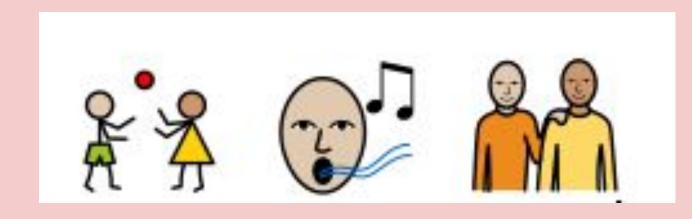

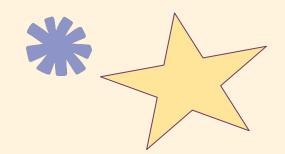

Reception

Our Reception children have settled in so well this week! They've loved exploring their new environment and have had lots of fun playing, singing, and getting to know one another.

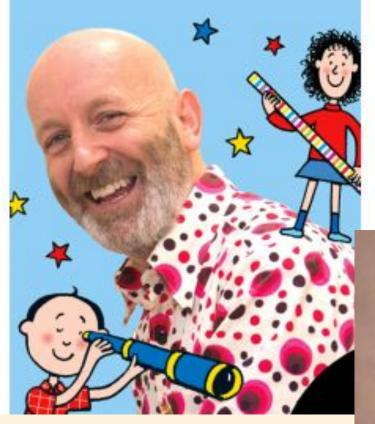

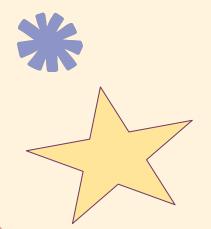

What an amazing first week in Year 1. You have all come back to school ready to learn and so excited to explore your new classrooms and playground. Both classes researched our class authors and becoming familiar with their books/stories.

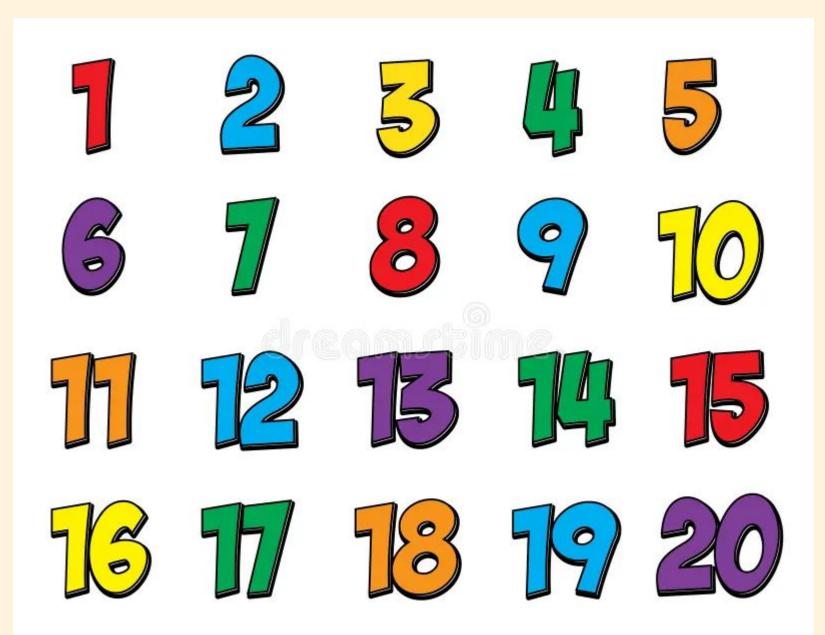

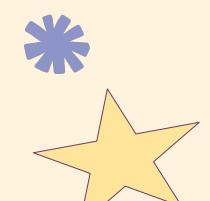

Year 2 have been reading books from their new class authors!

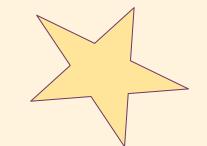

They have practised their handwriting and reading new stories.

In maths Year 2 have been counting up to 20 and finding out where we use numbers everyday.

We have had a great start to year 3. We have enjoyed learning about our class authors, explored books in the green library, played team building games, made bookmarks, used the boomwhackers to play Golden and got to know more about our friends and adults in year 3.

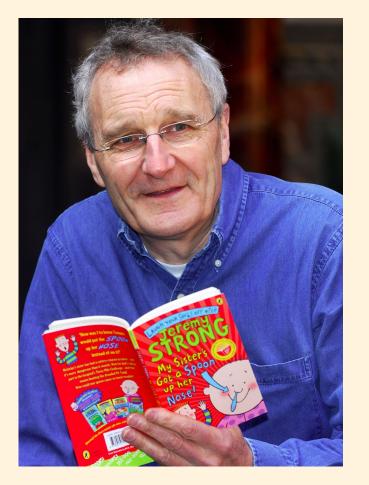

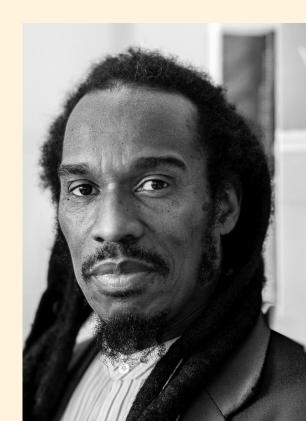

In year 4 we have discussed our three school rules and what they mean to us. We have practised walking safely and respectfully around school.

We have also enjoyed designing and colouring our own hoodies to represent us.

We have also found out about the authors of our class names and made a fact file about them.

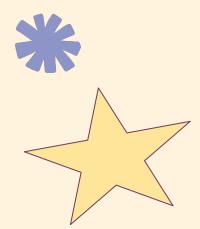

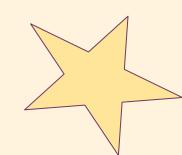

Year 5 have settled well into their new classes. We have been thinking about our school rules and what they mean.

We have also found out about the authors of our class names and made a fact file.

It was exciting to learn our house names had changed this year.

Year 6 have had a wonderful welcome back to school exploring their new upstairs classroom and establishing routines, now being the oldest pupils in school and setting the expectations high!

We have spent the last few days finding out about our class authors, each other, Mr Clegg and Miss Warrington and researching our new house team names!
