Farnham School News

Nursery

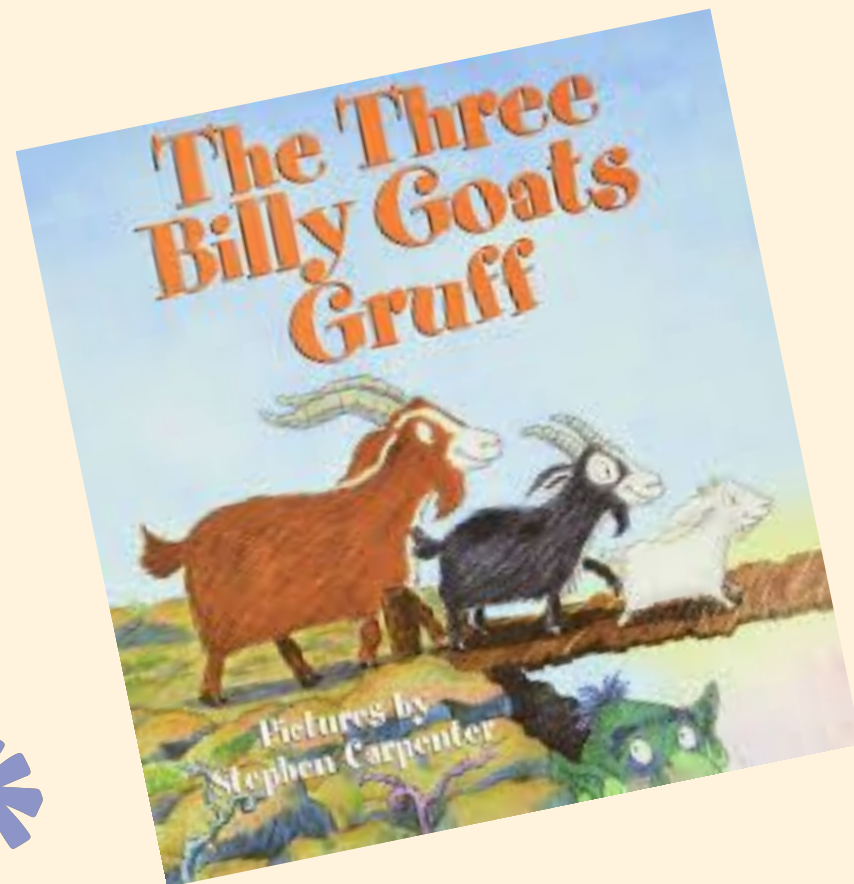

In nursery we have been getting spooky. We have made mummies and spiced pumpkins in our playdough area. Today we are going to fish out apples (apple bobbing) from the water try.

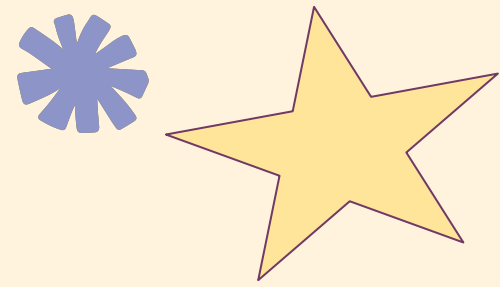

Happy Halloween.

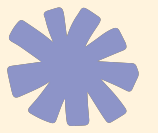

Reception

This week in Reception, we have been busy decorating pumpkins and talking about what we see during Halloween. In English, we have been reading and acting out The Three Billy Goats Gruff. During provision time, the children have enjoyed using loose parts to create different structures.

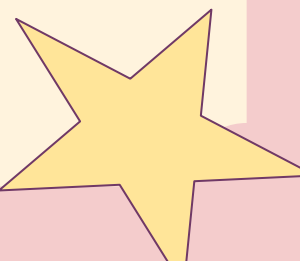

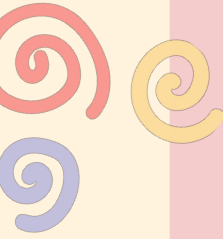

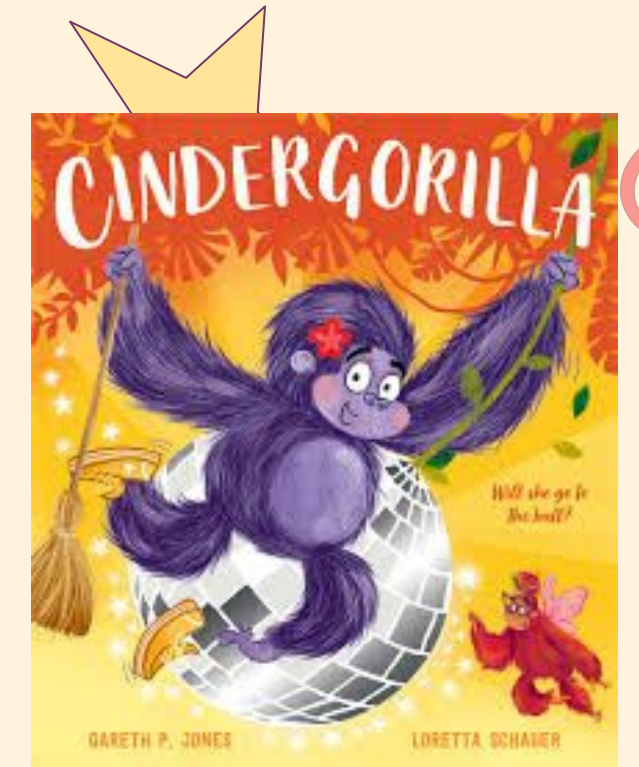

Year 1

In English this week we wrote a list of all the things we would need for Dj Prince to have another Disco party. We were so excited because on Wednesday we go to act out the disco. It was so much fun!

In maths we have learnt all about subtraction and have enjoyed learning new subtraction songs to help us with our new learning.

In history, after discussing time capsules, this week we made our very own class time capsules. We wrote letters to ourselves and represented our learning in Year 1. We can't wait to open it when we are in Year 6.

Year 2

In English we have been writing letters to the giant at the top of the beanstalk. We learnt how to set out a letter and planned what to write about first.

In maths we have been practicing addition and subtraction and finding 10 more and less. We played a fun game using dice to help us!

In art we created a clay tile and painted it, based on our history learning about the Victorians.

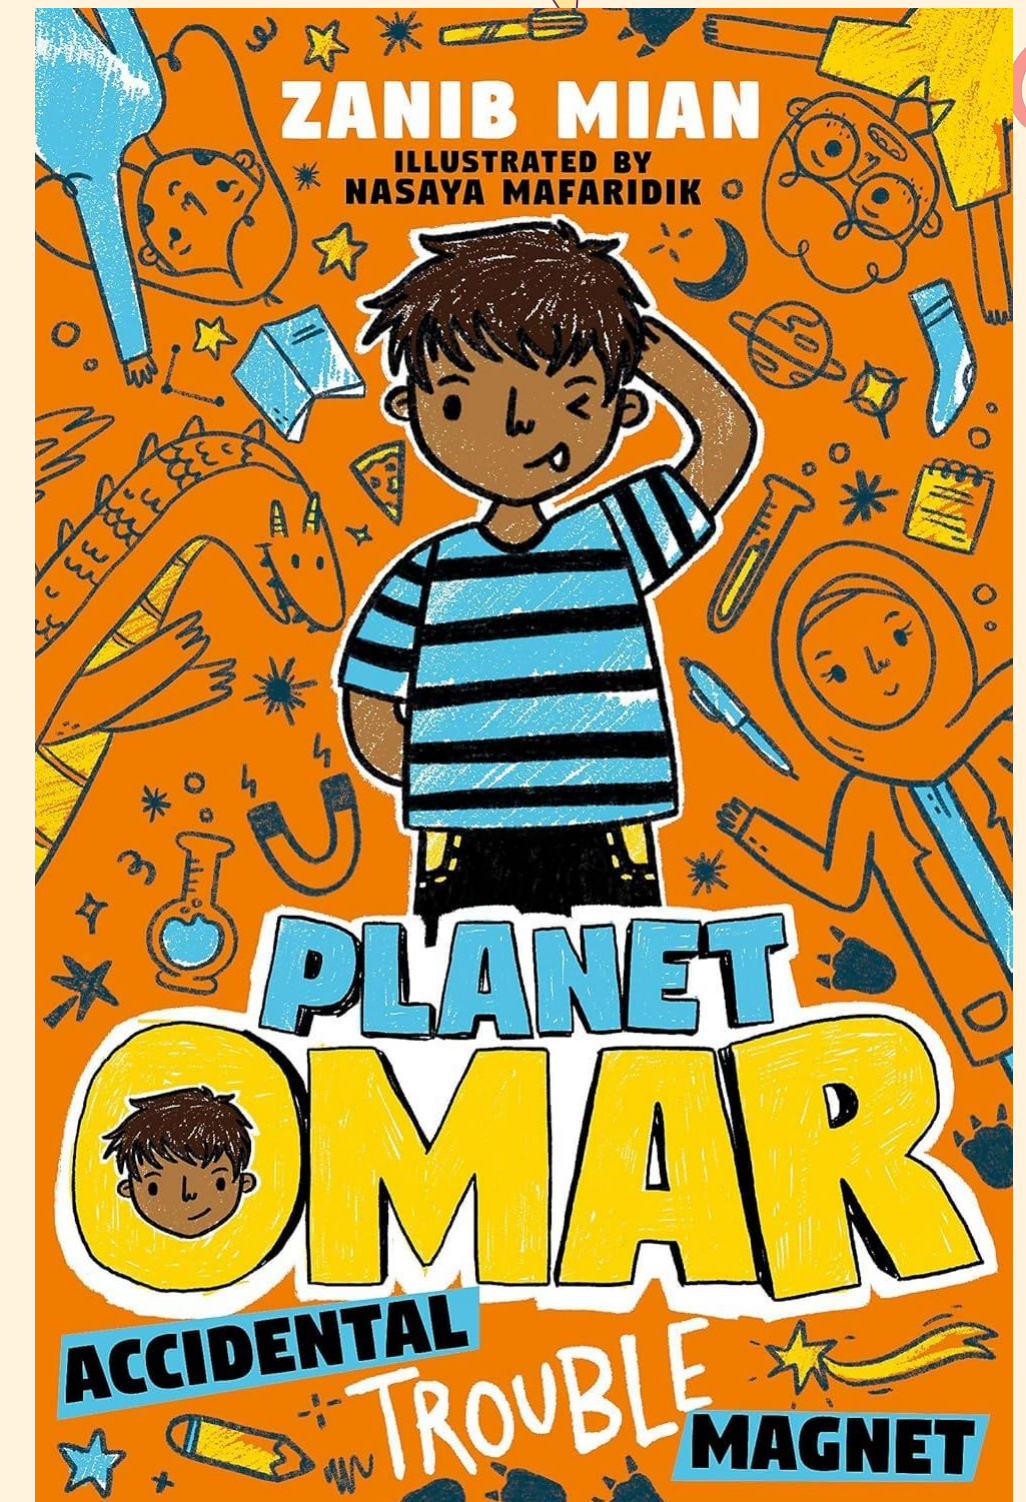

Year 3

In maths, we have persevered when learning the written column method for addition. We were so proud of ourselves for our beautiful presentation.

This week in reading, we have finished our class text 'Planet Omar: Accidental Trouble Magnet' written by one of our year group authors, Zanib Mian. We are already looking forward to reading the next one in the series later in the year.

We had so much fun on the first TTRockstars day! We are excited to carry on learning all of our timetables using games and activities to help us.

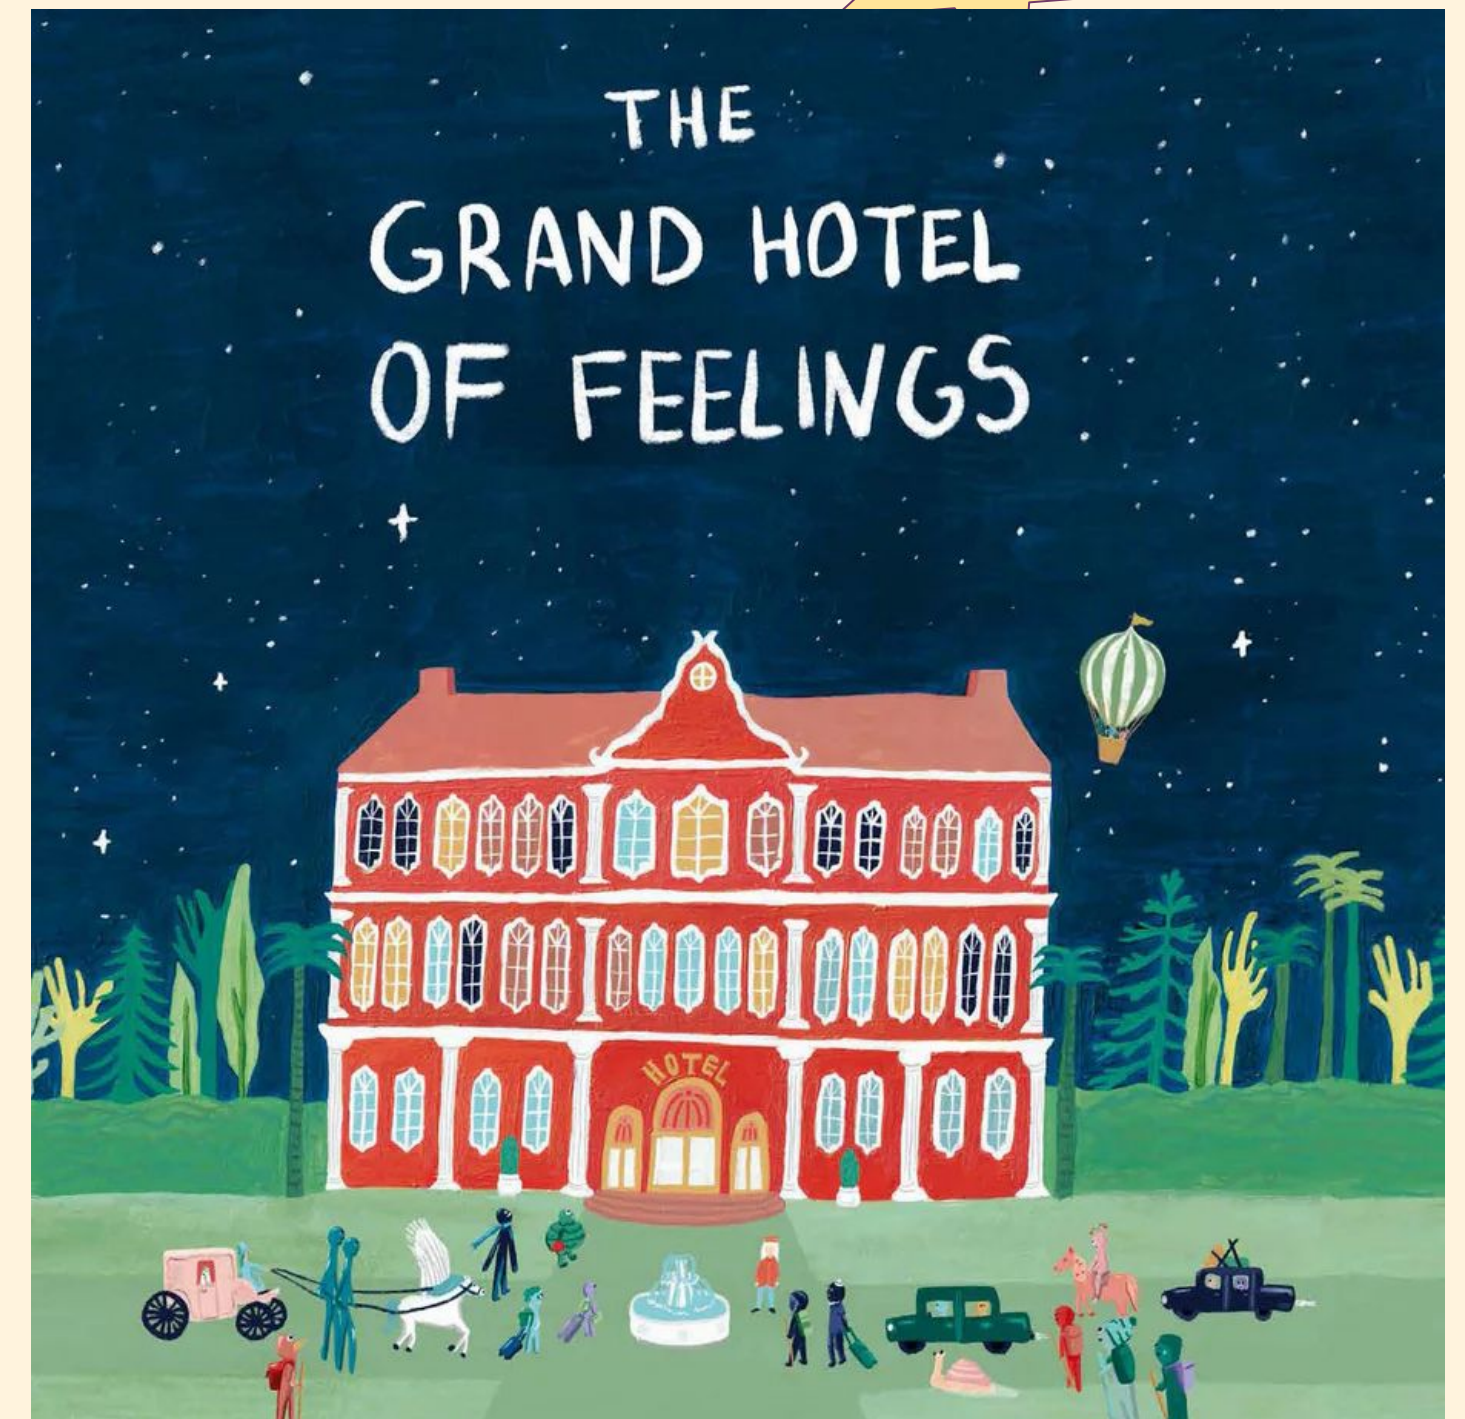

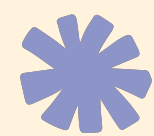

Year 4

In reading, we are coming to the end of our novel and we are so excited to find out if they are really aliens!

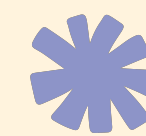

In writing, we have enjoyed making our own recipe poems using rhyming words and some disgusting adjectives.

In PSHEE, we have enjoyed finishing our work on 'The Grand Hotel of Feelings' and we created our own feelings hotels!

Year 5

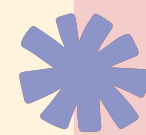

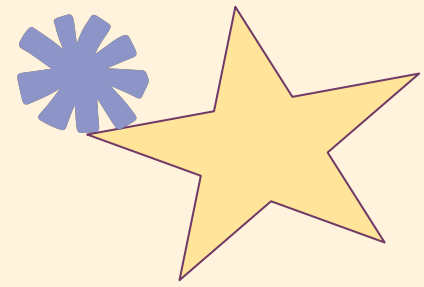

In writing, we finished our letters to Tesco. We have asked them to consider supporting our wonderful Farnham Food Bank. We have done our best to persuade them to be part of such a great cause.

In maths, we have been exploring subtraction and why sometimes we need to exchange.

In reading, we have really enjoyed rhyming and performing our poems for the poetry slam.

In art, we have printed our movement sketches by carefully drawing on foam and using rollers to paint.

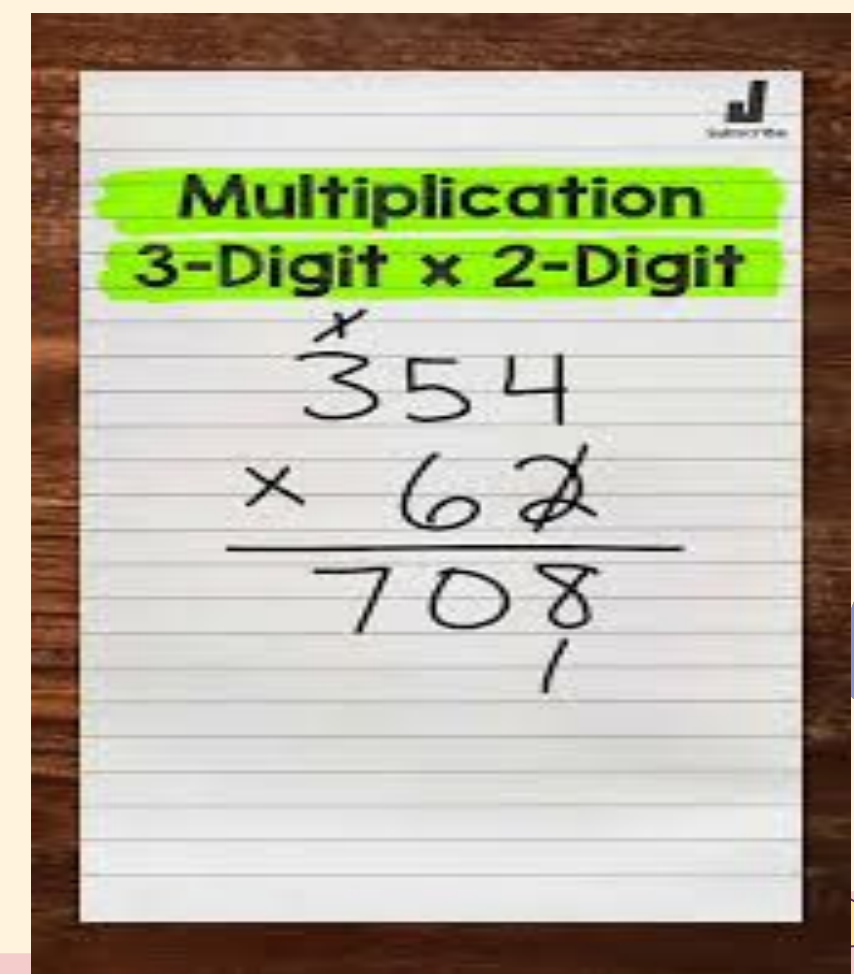

Year 6

In year 6 this week we have looked at politicians to celebrate Black History Month. We discussed what makes a good leader and you don't have to be a politician to make change!

In maths we have been consolidating three digit multiplication by two digits. The TT Rockstar day on Tuesday helped us refresh our times tables. This has really helped some of us in maths! We are excited to start using Times Tables Rockstars more.

Whilst in writing, we are drafting our final piece of work on the story The Journey by creating a dilemma paragraph. Should mother leave or stay?

Thank you
