Autumn Term October 2025

Thank you for all your support during the first half term, Nell Bank, our class assemblies and getting back into a school routine! Please remember your child should be coming in their PE kit on PE days. School shoes should be black and appropriate for weather conditions. Please make sure your child now has a suitable warm, weatherproof coat.

What we're learning this half term

English

In reading, we will begin to look at the author Vashti Hardy, and the fast-paced fantasy adventure story, Brightstorm. In writing, we will create our very own nature documentary, with the support of our fieldwork data gathered in geography to St Ives!

Maths

We will continue our addition, subtraction, multiplication and division topic.

Geography

We will explore carrying out an independent fieldwork enquiry which will link to our trip to St Ives. We will collect data and manage risks whilst we record data to present in a documentary in writing.

DT

We will design and create our very own structure of a children's playground. Maybe we can persuade Mrs Keenan in writing to implement some of our designs in our school?

PSHE

We will read the story about 'Marcus Rashford' and explore how to stand up for what we believe in.
