'Together we discover, believe & achieve.'

Monday 1st December 2025

Dear Parents and Carers,

Operation Encompass

We would like to invite you to a meeting on **Tuesday 16th December at 8:45am.**

Members of our school Safeguarding Team will be sharing important information about the Operation Encompass partnership. Operation Encompass is a national initiative that ensures schools are informed, before the start of the next school day, when police have attended an incident where a child has been present or exposed to domestic abuse. This early communication allows schools to offer timely, sensitive support to children and their families. Through this partnership, we are able to work more closely with families, providing appropriate help, understanding, and guidance when it is most needed.

Our aim is to ensure that children feel safe, supported, and ready to learn, even during difficult times at home.

This short meeting will explain how Operation Encompass works, what it means for our school community, and how it helps us support the wellbeing of all our pupils. All parents and carers are welcome to attend.

Thank you for your ongoing support.

Kind regards,

Mrs S Keenan
