

# Farnham Primary School

'Together we discover, believe & achieve.'

Wednesday 21st January 2026

Dear Parents and Carers,

## New School Logo from September 2026

We are excited to share that our pupils at Farnham Primary School have been taking part in discussions about what they would like our new school logo to look like. The children have shown great creativity and enthusiasm, and it has been wonderful to hear their ideas and see what they feel represents our school.

As we move towards a final design, we would very much welcome your input as parents and carers. Your views are important to us, and we would love for you to be part of this decision-making process.

You will soon receive a link via the Arbor App to a Google Form where you can view the proposed ideas and share your feedback on the final logo design. We encourage you to take a few moments to complete the form and let us know your thoughts.

Thank you for your continued support and for working in partnership with us to shape our school community.

Kind regards,

Mrs S Keenan  
Headteacher
