Spring Term January 2026

We hope you've had a wonderful Christmas break — we're so happy to have you back!

## What we're learning this half term

### English

In English, through our stories we will be responding to the illustrations making predictions about what will happen next, talking about the story alongside role play and drama.

### Maths

In maths, we will be counting, subitising and numeral matching and looking closely at the number 3.

### Understanding the world

We will be learning more about what happens in Winter and about our emotions.

### Expressive arts & design

We will be working on our scissor skills and moulding with playdough and clay as well as making small sculptures.

### PSED

In PSED, we will be learning all about Chinese New Year and how we celebrate our Birthdays.
