

Farnham Primary School

'Together we discover, believe & achieve.'

6th January 2026

Dear Parents and Carers,

As part of our learning about healthy lifestyles, we will be visiting Tesco to purchase a selection of fruit to prepare a fruit salad. This activity links to our PSHE/PSED focus and will be supported by reading the book Oliver's Vegetables, helping children to understand the importance of healthy eating.

Last half term, the children learned to recognise and describe 2D shapes. During our visit to Tesco, we will also be identifying everyday objects that represent 2D shapes, giving the children an opportunity to apply their learning in a real-life context.

The visit will take place on Monday 19th January and the children will be going in small groups throughout the day to visit the store. The children will be eating their lunch at school as usual.

Please ensure that your child comes to school wearing a coat and appropriate footwear. We do require consent for your child to go on the trip which can be done by contacting the school office or advising the class teacher.

Thank you for your continued support.

Yours sincerely
Mrs Mercer and Mrs Hall
Reception Class Teachers

Headteacher: Mrs S Keenan
