## What we're learning this half term

### English

In reading, we will delve into Michael Morpurgho's version of Beowulf. In writing, we will be reading the old English, Anglo-Saxon legend, Beowulf, to perform and retell the story by making a puppet theatre.

### Maths

Fractions- converting mixed numbers and improper fractions.  
Multiplication and Division- We will investigate the history of the multiplication and division signs and focus on the formal methods.

### History

In history, we will analyse historical information to understand whether the Vikings were raiders or traders.

### Science

Space and forces:  
Why is Isaac Newton a significant individual?  
How can pulleys, gears and levers help us reduce friction?  
How does the size of an asteroid affect the crater?

### PSHE

Mutual respect - we will be reading Ritu Weds Chandni by Ameya Narvankar
